

Appln. No. 10/761,645  
Election Dated March 3, 2006  
Reply to Office Action Mailed January 4, 2006

### **REMARKS**

Applicants' attorney thanks Examiner Del Sole for the issuance of the Office Action mailed January 4, 2006. In the Office Action, the Examiner requested an election under 35 U.S.C. 121 between the following patentably distinct inventions:

**Group I:** Claims 1-10, drawn to a cotton candy machine combination, classified in class 425, subclass 8; and

**Group II:** Claim 11, drawn to an electrical device subcombination, classified in class 361.

In response to the Examiner's restriction requirement, applicants hereby elect Group I (i.e., Claims 1-10) for further prosecution herein. Although this Election is being made without traverse, applicants hereby reserve the right to file a divisional application directed to the non-elected invention.

In view of the foregoing election, applicants and their attorney respectfully request that this application be examined on the merits. Should there remain any questions or other matters whose resolution could be advanced by a telephone call, the Examiner is invited to contact the undersigned attorney at his number below.
